

‘DRY’S INCREASE STATE’S ARID AREA--SPRINGFIELD AND QUINCY ‘WET’

Feminine Vote Places Bloomington Freeport, Joliet in the ‘Dry’ Column

STATE CAPITAL GOES “WET” BY MAJORITY OF 3952, WOMEN VOTING WET BY A MAJORITY OF 275

Rockford, Canton, Galesburg, Galva, Kewanee, Lockport, Decatur and Monmouth Are Among Cities of the State to Go “Dry”—About 1,000 Saloons Are Voted Out of Existence—“Bathhouse John” Coughlin Elected Alderman of Chicago’s First Ward by Four to One Vote.

WAUKEGAN, ROCK ISLAND AND MOLINE GO “WET”

Chicago, April 7.—Women's votes were the controlling factor in the Illinois township local option elections today and changed the map of wet and dry counties and municipalities. In the country districts the gains of the anti-saloon forces were large but their victories in the larger cities where the local option issue was raised were almost as great. Leaders of the dry forces were jubilant of the returns. Reports from downstate indicated at mid-night that sixteen counties had been added to the dry list and that in two counties only one city was left in which liquor might be legally sold.

Of the larger cities twelve which had been wet voted against the saloons. They were: Bloomington, Decatur, Belvidere, Canton, Freeport, Galesburg, Joliet, Monmouth, Kewanee, Lockport, Elgin and East Galena. Rockford and Galva which were dry remained dry. The following cities remain in the wet column: Springfield, Quincy, West Galena, Rock Island, Dixon, Waukegan, Alton, Moline and Aurora.

In addition to the thirty counties in which no liquor can be sold the following counties joined the anti-saloon column: Boone, Brown, Christian, DeKalb, DeWitt, Franklin, Fulton, Henry, Jersey, Knox, Livingston, Macon, McLean, Stevenson, Warren and Winnebago.

In Jo Daviess county, West Galena is the only city in which the sale of liquor is legal. In Kane county the cities of Aurora and St. Charles still permit the sale of liquor. In Whiteside county the city of Fulton remains wet.

Conservative estimates based on actual reports from townships were that 1,000 saloons had been voted out of existence.

Tri-Cities Remain Wet.
St. Louis, Mo., April 7.—In Madison county, Collinsville voted wet by about 1,200. The Tri-Cities (Madison, Venice and Granite City) also voted to remain wet. In all these cities the women's vote was almost as heavy as the men's.

In Grafton, Jersey county, 151 women voted against saloons and 74 for them. The men's vote was 79 for saloons and 142 against them. Eldon in the same county which also voted dry today had long been an "Oasis" for Jerseyville.

Most of Bond County Wet.
Bond county—Burgess dry by majority of 30. Remainder of the county voted to continue wet.

Fayette county—Lon Grove township wet by 67 majority.

DeKalb county—DeKalb dry, 388 majority; Malta wet, 34 majority; Cortland, dry 11 majority; Maple Park, dry 7 majority; Somonauk dry, 7 majority.

Montgomery county—Harvel township wet, 31 majority.

White county—Carmi dry, 814 majority; women 664 dry; 116 wet.

surprised at the vote given them by the women; they ascribe their support among the fair electorate to neighborhood clubs which saw to it that women who seldom had had an opportunity for social diversions were made the guests at parties given by friends of the saloons. In the districts where the most of these clubs were formed the women voted wet 2 to 1. The drys charge that the wet colonized voters from Chicago.

Kane county, Elgin, dry, 338; Geneva, dry, 354; Batavia, dry, 254; St. Charles, wet, 17; Hampshire, dry, 33; Virgil, dry, 44; Blackberry, dry, 156; Rutland, no vote; Burlington, no vote, clerk declined to put issue on ballot and ballots on which vote was stamped refused. Estimated women's vote in county 15,000, with over two third voting dry.

Decatur in “Dry” Column.
Decatur, Ill., April 7.—Decatur voted dry by a majority of 1,787 with the women rolling up large majorities of 400 and 500 in the normally dry precincts and holding down wet majorities in all wet precincts except one. Election day was made memorable by the million dollar fire, which it is now established was of incendiary origin, and by the reports of hostilities in a number of precincts. One woman was arrested for illegal voting and a man was held on a charge of selling his vote. A tent erected by the drys was torn down, and several clashes occurred between challengers. Plans for prosecutions which had been made by the drys when the result became known. The total vote of 16,201 exceeded all predictions being chiefly due to a remarkable woman's dry organization which pushed through the great majority of dry women's votes during the morning making it impossible to block their votes late in the afternoon. A large number of votes were invalidated through improper markings.

Add Twelve Counties to Drys.
Chicago, April 7.—Illinois women swarmed to the polls today in nearly three hundred townships and as a result of their activity it is estimated that at least twelve counties have been added to the thirty which now bar saloons.

The country districts saw the greatest gains in anti-saloon territory but eleven of the larger wet cities switched to the dry column, two that were dry remained anti-saloon territory and eight remained wet. The reports showed the following wet cities voted dry: Bloomington, Decatur, Belvidere, Canton, Freeport, Galesburg, Joliet, Monmouth, Kewanee, Lockport and East Galena.

Rockford and Galva which were dry remained dry. The following cities remained wet: Springfield, Quincy, West Galena, Rock Island, Dixon, Waukegan, Alton and Moline.

Fewer than 100,000 of the 217,614 women eligible to vote here took advantage of their newly gained suffrage and voted in the municipal elections today. None of the nine women candidates for places in the city council were elected and in most cases the women candidates received only a few scattering, even envotes.

Coughlin Defeats Miss Drake.
In the first ward where the suffrage and civic societies had combined their strength to aid Miss Marion Drake, who opposed “Bath-

house” John Coughlin, who for a score of years has represented the ward, Coughlin won by nearly 4,000 votes. He defeated Miss Drake three to one and received nearly twice as many women votes as his opponent.

The women voters concentrated their strength on questions of public policy submitted on a separate ballot. The women vote defeated bond issues aggregating \$9,000,000. An issue of health department bonds and an issue of public bathing beach bonds alone were carried.

A plan for a subway transportation system involving probable delay in relieving the traction situation was defeated in an avalanche of votes.

Early estimates tonight indicated that between 75,000 and 100,000 of the 217,614 women voters eligible to vote here went to the polls for the first time today and cast their votes in the aldermanic election.

The male voters of whom 455,283 were registered, voted in about the same proportion. None of the nine women candidates who sought to represent their wards in the city council was elected and except in the first ward where Miss Marion Drake had made a spectacular fight against “Bathhouse” John Coughlin, the women candidates polled only a small fraction of the women votes.

In the first ward indications were that Coughlin had won by about four to one. The suffrage forces who had united to support Miss Drake were jubilant, however, and declared this showing was the entering wedge by which they expected ultimately to defeat Coughlin and Michael (“Hinky Dink”) Kenna who have represented the ward for nearly a quarter of a century. Numerous charges of irregularity in voting were made to the election commission by Miss Drake's campaign en votes.

Miss Harriet Vittum, head of Northwestern University settlement and independent candidate in the seventh ward early conceded her defeat. The presence of numerous questions of public policy made the ballot count slow. Early returns indicated that a proposition for a comprehensive subway transportation system had been beaten. Bond issues totalling nearly \$9,000,000 were defeated. Women voters rallied to the support of a bond issue for public bathing beaches however, and the vote was extremely close.

Rock Island and Moline Wet.
Rock Island, Ill., April 7.—The city of Rock Island went wet by about 1756. Women vote, dry 2734, wet 2447. Moline voted wet by 400.

The election was quiet and orderly. Women voted early in full force. The majority in Rock Island was a surprise even to the wets, the more conservative of whom figured a margin of only a few hundred. Many voted were changed to the wet side in the past few days it is said, by representatives that immediately after the election the city council would be petitioned to cut down the number of saloons now numbering 92 and raise the license fee from \$600 to \$1,000 a year, close at 11 o'clock at night and all day Sunday and enforce all laws governing saloons.

Springfield Wet by 3952.
Springfield, Ill., April 7.—Springfield voted wet today by a majority of 3,952. (Women as well as men rolled up wet majorities,

as men rolled up wet majorities, of 275 and the men by 3,677. The women voted 4,301 dry and 4,567 wet. The men voted 3,908 dry and 7,585 wet. Tonight the dry forces are stunned by the tremendous majority, and are especially astonished at the fact that the votes of women which they expected to win for them had given the wets a majority. The wets issued a statements saying they were ready to join with their opponents for a “better and greater Springfield.”

Women worked at all of the 41 voting precincts all day. There were two women challengers in each precinct. Women of rival sides were “yes” and “no” buttons and the most intense interest was manifested. Two men were arrested. There was no serious trouble, however.

One woman, Mrs. Mary L. Morrison, was elected to office here today. Mrs. Morrison was one of three members of the school board elected. Two women running for supervisors on the Progressive ticket were defeated.

Havana Township Votes “Wet.”
Havana, Ill., April 7.—Havana township, including Havana city, wet vote, men 809, women 349; dry vote, men 443, women 587.

Manito township, including Manito village, wet vote, men 195, women 62; dry vote, men 94, women 92.

Bath township, including Bath village, wet vote, men 197, women 83; dry vote, men 133, women 45.

Vote Williamson County “Dry.”
Marion, Ill., April 7.—Through the heavy vote polled by the newly enfranchised women Williamson county today became dry. The vote by townships was:

East Marion dry by majority of 487; women's vote 687; men's vote, 1044.

West Marion dry by majority of 669; women's vote 767; men's 1111.

Cartersville dry by majority of 755; women's vote 479; men's vote, 768.

Blairville dry by majority of 258; women's vote 782; men's vote 1168.

Abolish Eleven Saloons.
Moline, Ill., April 7.—Hampton township was voted dry by a majority of 77 and eleven saloons were abolished.

Havana Township Votes “Wet.”
Havana, Ill., April 7.—Havana township, including Havana city, wet vote, men 809, women 349; dry vote, men 443, women 587.

Manito township, including Manito village, wet vote, men 195, women 62; dry vote, men 94, women 92.

Bath township, including Bath village, wet vote, men 197, women 83; dry vote, men 133, women 45.

Vote Williamson County “Dry.”
Marion, Ill., April 7.—Through the heavy vote polled by the newly enfranchised women Williamson county today became dry. The vote by townships was:

East Marion dry by majority of 487; women's vote 687; men's vote, 1044.

West Marion dry by majority of 669; women's vote 767; men's 1111.

Cartersville dry by majority of 755; women's vote 479; men's vote, 768.

Blairville dry by majority of 258; women's vote 782; men's vote 1168.

Abolish Eleven Saloons.
Moline, Ill., April 7.—Hampton township was voted dry by a majority of 77 and eleven saloons were abolished.

Mattoon Again “Dry.”
Mattoon, Ill., April 7.—Mattoon was again voted into the dry column

today. The heavy woman vote, 2,379, resulted in a net majority of 268 against the saloons.

Seven Women Elected.
Chicago, April 7.—Seven Illinois women were elected to public office today in the first general election since the right of suffrage was extended to the women of the state. They are:

Mrs. Effie Wehr, collector, Williamson county.

Miss Dolly Helm, collector, North Litchfield township, Montgomery county.

Mrs. Maude H. Master, collector, Hillsboro township, Montgomery county.

Mrs. Mary L. Morrison, member of the school board, Springfield.

Miss Carrie Merrill, township collector, Carthage.

Mrs. Clara Bennett, collector, Lewistown township, Fulton county.

Miss Louise Kilbury, collector, Secor township, McLean county.

Defeat Four Female Candidates.
St. Louis, April 7.—Three women candidates in Edwardsville, Ill., and one in Venice were overwhelmed in the election today. Miss Mae O'Neill, independent candidate for tax collector at Edwardsville received approximately sixty votes, out of 2,500 cast for candidates for this office. The three other women were candidates for school trustee.

At Belleville, Ill., women were instrumental in defeating a park bond issue of \$50,000. They opposed the issue because no provision had been made to prohibit the sale of liquor in the proposed parks.

Dry Majority is 80.
Bloomington, Ill., April 7.—The city of Bloomington township today voted out 78 saloons by a majority of 80 in a vote of 14,000. The women voted, dry 3869, wet 2524; men, dry 2655, wet 3898.

It was the liveliest election ever held in this city. Both sides had scores of automobiles and carriages going from early morning until the polls closed at 5 o'clock tonight and it is believed that every person in the city eligible to vote cast a ballot. There was no disorder.

Surprise in Freeport.
Freeport, Ill., April 7.—Freeport, regarded as one of the wettest towns in the state, went dry in today's election by a majority of 140. The drys

victory was the result of activity by women, who gave the drys a majority of 180. The town has been wet more than fifty years. It has forty-eight saloons. Stephenson county banished its forty-nine saloons today. Freeport going dry by 140 and Ridott township by 75. Ridott has one saloon situated in the village of German Valley. Winslow township again voted dry by a majority of 46.

Elect Woman Candidate.
Danville, Ill., April 7.—The liquor question did not figure in the Danville township election, but despite the rain that continued most all day the women flocked to the polls in great numbers and probably elected the first woman candidate to run for office in this township. The returns indicate that Miss Bess Coton, Fusion candidate for tax collector, is elected by a small plurality. At the soldiers' home women pinned carnations on their votes for Miss Coton, and she carried that institution by five votes. Women workers remained at the polls and many drove automobiles for the “cause” all day.

Christian County Dry.
Taylorville, Ill., April 7.—Christian county, every town in which local option was an issue, voted dry, making every town in the county dry. Forty-seven saloons were voted out. Seventy-five per cent of the women voted dry.

Rockford Women Responsible.
Rockford, Ill., April 7.—Rockford women kept the city in the dry column today, piling up a majority of 5,005 women's votes on the dry side against a male majority of 1067 for liquor selling.

Adopts Commission Form.
Bloomington, Ill., April 7.—This city also voted to adopt the commission form of municipal government by a vote of 8970 for to 3974 against.

HENRY L. JOST RE-ELECTED MAYOR OF KANSAS CITY
Majority Over Four Other Candidates Estimated at Between 6,000 and 7,000 Votes.

Kansas City, April 7.—Henry L. Jost, Democrat, was re-elected mayor of Kansas City today over four other candidates by a majority estimated at between 6,000 and 7,000 votes.

The non-partisan ticket, pledged to commission government and headed by Clarence A. Burton, was second.

Balloting in Nebraska.
Omaha, Neb., April 7.—In today's municipal elections the issues of license and Sunday baseball divide interest with party politics entering into but few of the contests. Temperance advocates claim a victory on the license issue, some towns which have long been wet going dry. The opposition, however, turned the tide in a number of other places, carrying them to the wet column.

The state law gives towns the right to pass on the question of Sunday ball games. At Hastings, a member of the Nebraska State League, the result is in doubt. Broken Bow voted strongly for Sunday ball and to remain dry.

On the license question the big surprise of the day was the result at Falls City, where the town voted out the saloons for the first time in forty five years.

Have No Right to Vote.
Paris, April 7.—French women have not the right to vote, according to a decision pronounced today by the court of cassation. The women's rights league in France had tried to have its members register as voters for the coming elections and applied to the court, which ruled against them.

Bading Is Re-Elected.
Milwaukee, Wis., April 7.—Mayor Oscar Bading, non-partisan, was today re-elected over Emil Seidel, the Social-Democratic candidate, by a majority of 5,000. According to returns from a majority of the precincts in the city of Milwaukee.

Mayor Bading will undoubtedly have a common council made up largely of non-partisans, though it is expected a few of the Social-Democratic candidates will pull through in wards where that party is strong.

Democrat Is Elected.
Boston, April 7.—Jacob Gallivan, Democrat, was elected today to congress from the twelfth district to fill the unexpired term of Mayor James M. Curley, resigned. He received a majority in a triangular contest.

Democrats in Control.
Jefferson City, Mo., April 7.—The Democrats elected three out of five council men here today and will control the new council, six to four.

“Dry” Score Heavily.
St. Paul, April 7.—Prohibition forces scored heavily in today's municipal elections held by Minnesota cities of the fourth class, according to returns late today. Madison, Marshall, Luverne and Canby, for many years the leading saloon towns of southwestern Minnesota today entered the “dry” column by small majorities.

Non-Partisan Is Chosen.
Bellevue, Wis., April 7.—Wet majority is four hundred. H. W. Adams, non-partisan, is elected mayor by six hundred majority.

Women Cast Heavy Vote.
Topeka, Kans., April 7.—Women cast a heavy vote in the elections held throughout Kansas. T. SHRDLU held throughout Kansas today. In many places women served for the first time as election officials and the day passed without incident. Only local issues were involved.

REPUBLICANS GAIN IN NEW JERSEY ELECTION

CANDIDATE OPPOSING WILSON LEGISLATION WINS SEAT IN HOUSE

Leading Democrats Refuse to Accept Result as a Repudiation of President—Declare Re-apportionment of 1912 Is Responsible.

Paterson, N. J., April 7.—The Republicans gained and the Democrats lost a seat in the house of representatives today as the result of a special election in the seventh New Jersey district. Dow H. Drucker of Passaic was elected congressman to succeed the late Robert L. Bremner by more than 5,000 plurality over James J. O'Byrne, Democrat, personally endorsed by President Wilson. Drucker made his fight on a platform opposed to the legislation wrought by the Wilson administration, while O'Byrne called upon the voters of the district to send him to congress as a token of their approval of the president's policy.

Leading Democrats, however, refused to accept the result of election as a repudiation of New Jersey's first citizen. They declared that the re-apportionment of 1912, which divorced Passaic county from Sussex and Bergen counties and placed it in a congressional district by itself left a normal Republican plurality. Although Congressman Bremner, a Democrat, was elected by this new district, the Democrats tonight asserted that his success was a personal one.

PRESIDENT FAVORS LOCAL OPTION ON LIQUOR QUESTION

WASHINGTON, Ap. 7.—President Wilson is in favor of local option on the liquor question and does not believe prohibition should be made a part of a party program. Since the order of Secretary Daniels was issued prohibiting the use of liquor by officers in the navy, persons in a position to obtain the president's views have learned that he will stand by his letter written in May 1911, while governor of New Jersey to the Rev. Thomas B. Shannon of Newark, N. J., in which he said: “I am in favor of local option. I am a thorough believer in local self government and believe that every self-governing community which constitutes a social unit should have the right to control the matter of the regulation or the withholding of licenses. “But the questions involved are social and moral and are not susceptible of being made parts of a party program.”

UNDERWOOD SWEEPS ALABAMA IN SENATORIAL FIGHT WITH HOBSON

BIRMINGHAM, Ala., April 7.—Oscar W. Underwood, for nearly twenty years representative of the ninth Alabama district in the lower house of congress, swept the state in his fight with Congressman Richmond Pearson Hobson for nomination to the United States senate according to tonight's returns from yesterday's Democratic primaries. Mr. Hobson before noon today conceded victory to his opponent although returns still were incomplete tonight.

UNITED STATES COURT DISMISSES SUIT AGAINST LACKAWANA ROAD

TRENTON, N. J., April 7.—The United States court filed an opinion here today dismissing the suit of the United States government against the Delaware, Lackawanna & Western Railroad company and the Delaware, Lackawanna & Western Coal company for alleged violation of the commodity clause in the Sherman anti-trust law.

The court holds there is no United States law or decision prohibiting the same set of individuals holding stock in two distinct corporations even though they may be engaged in kindred business.

The case is considered of the highest importance by the government as steps planned by the department of justice in its efforts to break up what is alleged to be a monopoly of the anthracite coal trade. The case, which was brought under both the Sherman anti-trust law and the commodities clause of the Hepburn railroad law in all probability will go direct to the supreme court of the United States.

FIRE IN DECATUR DOES LARGE PROPERTY DAMAGE

Powers Theatre and Linn & Scruggs Department Store Destroyed—Loss Estimated at \$750,000.

Decatur, Ill., April 7.—Fire starting about 3:30 o'clock this morning completely destroyed the Linn and Scruggs department store and the Powers theatre buildings, a full block bounded by Water, State, East Main and Wood streets. The total loss is estimated at \$750,000, well covered by insurance. Origin of the fire is unknown but the blaze was in the roof near the main smoke stack. Included in the places wiped out were the American Express office, Elks club rooms, Decatur Railway and Light offices and several retail stores, besides a hundred offices. Three hundred employees will be thrown out of work.

Later in the day the fire loss was set at \$675,000, with insurance at \$450,000. The Powers Building loss was \$250,000; Linn and Scruggs, \$245,000; Decatur Railway & Light, \$25,000; Leavenworth Grocery company, \$10,000; Central Union Telephone company, \$5,000; Automatic Telephone company \$5,000.

Called Best Business Block
The fire completely destroyed all buildings in the most valuable business block in Decatur. The Powers building was easily the most handsome and best equipped business building in the city and the Dry Goods store was the biggest business house here.

The fire was burning so furiously that the water which could be thrown by the Decatur firemen had absolutely no effect. It was simply a case of the fire burning itself out and after some time of fierce fighting against the blaze firemen busied themselves in keeping it from spreading to adjoining blocks. Smoke and heat did damage for several blocks but the work of the firemen confined the actual blaze to the one block alone.

Origin is Unknown.
Many theories have been advanced during the days to the real cause. Many attribute it to defective wiring apparatus while others claim it started from an electric iron left heated during the night in a woman's tailoring establishment. There are many theories as to the cause of the fire but there seems little hope of ever discovering the actual start.

The Powers Opera house which was completely destroyed was only ten days ago leased for three years to Messrs. Delmar Schnepf and J. Byron McCormick both Bloomington men.

SPLendid ATTRACTION NOW AT GRAND OPERA HOUSE

Manager Boyd's Musical Comedy Company is Scoring a Decided Success—Big Show at Little Prices.

Mr. Boyd's musical comedy company opened Monday night at the Grand, notwithstanding a heavy downpour of rain, the house was packed to capacity with the same occurrence last evening. Without a doubt and exception this is undoubtedly the strongest and classiest musical tableau ever appearing in Jacksonville.

The principals as well as the chorists are artists and not before has such a clever company appeared here at the small prices charged for this attraction.

It is impossible to make any special mention here but it is safe to forecast a long and pleasant engagement for Mr. Boyd's "Broadway Girls" in their spring run of musical comedy stock.

There will be a special matinee for the ladies and children this afternoon at 2:30 and a change of program Thursday, when these popular players will present the big laughing hit "Gay Atlantic City."

STANLEY WRIGHT BUYS INTEREST IN BIG STORE

The Richmond, California Daily Independent in a recent issue tells of the purchase by Stanley Wright, formerly of this city, of an interest in a very extensive furniture house there. Mr. Wright is a son of Mrs. Nora Wright of South Main street. The paper says:

"Negotiations for the purchase by Stanley H. Wright, the well known realty operator of the interest of E. P. LaSelle, the senior member in the big furniture house of LaSelle and Son were concluded yesterday and Mr. Wright now joins with Walter LaSelle in the new firm which will conduct the business under the name of LaSelle and Wright. E. P. LaSelle who founded the business and made it one of the largest to be found in any of the east bay cities and which is housed in the largest mercantile building in the city, will devote his attention to other interests here."

"Mr. Wright came to Richmond five years ago to take a position with the Santa Fe railway company. More than a year ago he entered the real estate business and has been counted as one of the liveliest young business men of the city. The combination of the younger Mr. LaSelle and Mr. Wright should prove mutually advantageous and be of importance in the development of a strong business community here. The new firm will make a strong bid for business and will endeavor to keep much of the furniture business at home."

RECORD BREAKING WINTER WHEAT CROP IN PROSPECT

Department of Agriculture Estimates Yield May Exceed 551,000,000 Bushels.

Washington, April 7.—A record-breaking winter wheat crop is in prospect this year, the department of agriculture estimating on a conservative basis that the yield may exceed 551,000,000 bushels. The condition of the crop April 1st was 95.6 per cent of a normal or 11.5 per cent better than the average April 1st condition for the past ten years.

The average condition of rye on April 1st was 91.3 per cent of a normal, against 89.3 last year; 87.9 in 1912 and 89.2 the average condition for the past ten years.

Among the comparisons for winter wheat and rye states are the following:

NO ACTION PROBABLE IN AMERICAN BEEF TRUST CASE

Not Enough Evidence Collected to Make Case Against Packers.

Washington, April 7.—Unless department of justice assistants collect more evidence in the so-called American beef trust case, it is not probable that action will be taken under the Sherman anti-trust act against the packers to curtail their South American activities.

Investigation of the contract which American packers have for refrigeration space on steamships plying between Argentina and the United States, it was said tonight, have failed to show anything unusual or in contravention of the anti-trust act. So far as the department agents discovered the American packers exercised only the ordinary business caution in making these contracts for refrigerating space on steamships and have not laid themselves liable to prosecution. It was the first idea of the department that the American companies had monopolized the steamship refrigerating space and that an anti-trust suit could be hinged upon this.

"GUILTY OF IMPRUDENT AND UNMINISTERIAL CONDUCT"

New York, April 7.—"Guilty of imprudent and unministerial conduct" was the verdict of the court of the New York conference of the Methodist Episcopal church today against Rev. Dr. Jacob E. Price, pastor of the Washington Heights church, defendant on charges made by women members of his congregation.

Two other specifications, one accusing Dr. Price of "immorality in conduct" in violation of the moral law and the other of indulgence of sinful tempers and words" were not sustained.

It was the judgment of the select committee which reported to the conference that Dr. Price "should be and hereby is admonished."

The court did not find Dr. Price guilty of acts sufficiently flagrant to demand a change of pastorate.

ALL EFFORTS FAIL.

Denver, Colo., April 7.—Every effort to find and punish the men who kidnaped and severely beat the Rev. Ovis L. Spurgeon of Des Moines, Iowa, because of his attack upon the Catholic priesthood in a lecture here, failed today.

The sheriff's office announced that no adequate information had been obtained in its investigation of the attack Sunday night upon the clergyman.

BULLETIN DENIES RUMOR.

Stockholm, April 7.—A bulletin issued today by the physicians in attendance on King Gustav states that his majesty is suffering from a simple ulcer in the stomach.

This bulletin was issued in denial of rumors that the king was suffering from cancer.

MILLIONAIRE ARRESTED.

New York, April 7.—Byron Chandler, millionaire husband of Grace LaRue, an actress was arrested today in a Broadway hotel. Counsel for the actress represented that he was about to leave the state, thereby making impossible the collecting of alimony pending the trial of his wife's suit for separation.

STUDENTS ON STRIKE.

GOVERNOR GLYNN REFUSES TO COMMUTE DEATH SENTENCE

Convicted Gunmen Must Die by Execution in Sing Sing Prison Next Week.

Albany, N. Y., April 7.—Governor Glynn tonight refused either to commute the death sentence of the four gunmen who were convicted of slaying Herman Rosenthal or to grant them a reprieve until after the second trial of former Police Lieutenant Charles Becker. They now must die by execution in Sing Sing prison some time next week, probably Monday. The court of appeals, in denying their motion for a new trial set the week of April 13th as the time for their execution. The exact date is fixed by the warden.

"It would have been a miscarriage of justice to have granted commutation and an improper exercise of executive power to have granted a reprieve," the governor said in a statement. The case of the four gunmen does not depend in the least on the result of the Becker case, he continued, and no evidence has been offered tending to show there is any reasonable probability of anything developing in the second Becker trial which would change the result reached during the gunmen's case. The full names and nicknames of the condemned men are: Frank Cirofici ("Dago Frank"); Harry Horowitz ("Gyp the Blood"); Louis Rosenberg ("Lefty Louie"); and Jacob Seidenshner ("Whitey Lewis").

Included in the governor's statement were the texts of letters he received from Supreme Court Justice Goff and District Attorney Whitman who acted in the case. Both men strongly opposed the granting of a reprieve.

Take Soda for Acid Stomach or Indigestion—Try It

Indigestion, says a noted authority, is not caused by a lack of digestive juices, but by an excess of hydrochloric acid in the stomach which promotes food fermentation, thus retarding digestion. Then our meals sour in the stomach and bowels like garbage sours in a can, forming acid fluids and gases which irritate the stomach like a balloon, then we get that heavy, lumpy feeling in the chest; we eructate food, belch gas and have heartburn, flatulence, water-brash or nausea.

He tells us that to instantly neutralize these stomach acids and stop food fermentation we must get a package of 10 grain Sodagen tablets at any pharmacy and take one tablet anytime followed by a tumbler of water which immediately settles and sweetens the entire digestive system.

He states that men and women who can trace their disordered stomachs and indigestion to acidity should not hesitate to take this harmless antacid at any time, as it is simply a compound of Soda, Magnesia and Calcium Carbonate U. S. P.—Adv.

Lubin Famous Players Harry Myers and Rosemary Theby in His Wife

The internationally famous play by a noted dramatist with the distinguished American actress, Rosemary Theby, in the leading role. Success cannot be achieved and sustained without a reason. It is a singularly simple matter to reduce the secret of Rosemary Theby's success as a player in the mute drama to two words: Infinite pains. Her beauty, intelligence and womanliness have only partly contributed to her distinguished position; it is her positive gifts as an actress to which Miss Theby owes her prominence, and her conscientiousness, her painstaking care of the smallest details, have kept her there. Hardly two years in photoplay Miss Theby's steady course upward is as interesting as it is exceptional.—Don't fail to see her today.

BEAUTIFUL SEAL UNVEILED AT I. W. C.

Unique exercises were held at the Woman's college Tuesday morning at the chapel hour when a shield of the college was unveiled by the members of the Junior class.

The members, dressed in blue and white, their class colors, marched to the platform in Music hall, above which the shield had been placed.

Addressees were made by the Misses Helena Munson and Peril Hess, and by Dr. J. R. Harker. The president spoke briefly on the words—Faith, Knowledge and Service.

Part of the inscription of the college emblem. The exercises closed by singing the college song.

The shield was made by Edward Wackerle and is mahogany, with the colors in blue and gold. It is thirty six by thirty inches.

FUNERAL SERVICES FOR MRS. J. L. CAPPS ARE HELD TUESDAY

Large Number Gather at Late Residence to Pay Last Tribute—Interment is Made in Diamond Grove.

Funeral services for Mrs. Joseph L. Capps, held at the late residence, 823 North Church street, were attended by a large gathering of relatives and friends, who gathered to pay a last tribute of respect. The services were in charge of Rev. J. W. Miller, pastor of Grace M. E. church, who took for his text, "She Hath Done What She Could."

Christ's commendation of Mary, who broke the alabaster box and poured its rich contents on his head. Rev. Mr. Miller said in part:

"This is one of the beautiful incidents of Christ's ministry. It was on the occasion of a gathering of Christ with his disciples and other friends at the home of Simon, who had been cured of leprosy. While they were seated at the table Mary approached the Master, and breaking the lid, or fastening from a box of spikenard, poured its fragrant contents upon the head of Christ. Immediately the room was filled with the fine fragrance. Other people present criticised Mary's gift. Christ answered their criticism. With a sentence he swept away all reasonable objections to Mary's gift. Then he said, 'This that she hath done will be spoken of as a memorial of her whenever this gospel shall be preached throughout the whole world and today this prophecy is fulfilled in your hearing. Mary's gift was a sacramental gift. She came to anoint Christ for his burial. It was an expression of her faith in Him. The gift was a symbol that His broken body would pour forth in spiritual life and sweetness a blessing upon the race. Her gift was an expression of her love, and of her devotion to Christ. From the day when He stood with the weeping sisters at the tomb of their brother, from which tomb he called the dead back to life, Mary's love for Christ grew in fervency and tenderness. Christ recognized this gift of love and pronounced upon it the highest encomium."

"There are no more appropriate words for this occasion than the language of Christ to Mary. I feel that I can truly say of Sister Ella Capps that 'she hath done what she could.' She did what she could for her home. Could these mourning members of her family speak they would bear glad testimony to her unselfish devotion, day or night, to the welfare of the family. She had done what she could for the community. No family in the neighborhood passed through sickness or sorrow, that she did not remember with greetings of sympathy, gifts of flowers or a loving visit. She was at the head of a benevolent organization that for many years rendered valuable service to one of our public institutions, and will continue to do so, long after her life closed. She hath done what she could for her church. Older members of the church will remember years of faithful service she rendered to the church she loved. The last day on which she was conscious she called the family to the bedside. One read comforting passages from the Bible. When clasping her hands with face illuminated, she cried repeatedly, 'Beautiful, beautiful.' They asked her what it was that was so beautiful. She said, 'O, the beautiful flowers, my beautiful mother, as if she were already in sight of that celestial world.'"

Music was furnished by Misses Lena Hopper and Stella Shuff, with J. Phillip Read at the piano. They sang, "Lead Kindly Light" and "The Home Over There." There was a large number of beautiful flowers, which were cared for by Misses Louise Capps, Marian Capps, Eleanor Capps and Hester Capps.

Interment was made in Diamond Grove cemetery and the bearers were W. H. Jordan, Henry Brook, S. O. Shuff, Charles Rowe, W. T. Ellis and J. T. Osborne.

ANOTHER SHIPMENT OF MILLINERY JUST RECEIVED AT HERMAN'S.

CITY LIGHT PLANT NOTES.

The third regulator which is to be used in the municipal light plant is being placed in position and connected up and will be ready for use within a day or two. This with the other regulators will make it possible to take care of 800 lamps on the city streets. The belted generator is almost in readiness for a test and will be tried out sometime this week. An expert from the Fairbanks, Morse Co., will be here to start and test the machinery.

The work of cutting in for the placing of the new street lamps has been delayed somewhat but will be taken up actively within a few days. While the plant is operating on a moonlight schedule more of this work can be accomplished in a day than would be true at some other time. Two miles of new wire have been received and this will be put into use gradually as required by the cutting in work and by the change which will make the four wards into four circuits.

The clear weather yesterday made good progress possible in the task of setting the new boiler. The work is being done without the letting of general contracts as Commissioner Brennan figured it could be done cheaper in this way. Joseph Harvey and three or four other brick masons and assistants are doing the work.

Just arrived, another lot of Ferry's celebrated lawn grass seed, 20c a pound at Weber's.

RECEPTION FOR SUPT. JONES.

The superintendent and members of the faculty of the State School for the Deaf will give a reception this afternoon at 3 o'clock for Supt. Jones of the Ohio State School for the Deaf who is a visitor here.

REV. J. W. MILLER SPEAKS ON MARY MAGDELENE.

Tuesday Evening Meeting at Grace M. E. Church Was Well Attended.

"Mary Magdalene" was the subject of Rev. J. W. Miller Tuesday evening at Grace M. E. church in the series of before Easter meetings. There was a fair sized audience present and the words of the pastor concerning this friend of the Master were well received. This evening Rev. Frederick Baylis of Chapin will speak upon "The Great Question." His sermon will be preceded by a five minute prelude by Rev. Mr. Miller upon the widespread temperance victories.

"Of all the thousands who followed after Christ and listened to his teachings, the friends who stood by him in moments of adversity were indeed few. The true friends of the Master could be counted upon the fingers of one hand. Among them was Mary Magdalene, the woman of great devotion, who remained faithful until the end and was rewarded by the first sight of her beloved Lord on the morning of the resurrection."

ALL'S QUIET ON THE MEXICAN BORDER.

Lieut. Charles H. Grierson, who was recently relieved of duty at the military receiving station at Fort McDowell, Angel Island, California and joined his regiment, the 10th U. S. cavalry at Ft. Huachuca, Ariz., is now in command of four troops of the regiment and a machine gun platoon, the command numbering approximately 300 men. His headquarters at present are Nogales, Ariz.

In a letter to a friend in this city he states that there is nothing exciting going on along the border and that everything is quiet and no present prospect of intervention.

THE "WET" VS "DRY" BATTLE.

The greatest battle that the wet and dry forces of Illinois have ever had was waged Tuesday. As a result of the conflict sixteen counties have been added to the dry column and in two other counties all saloons have been driven out save in two towns. In many separate cities too the saloons must go. The sweeping victory which is claimed by the anti-saloon forces is due in a very large measure to the support given by women. In Springfield, however, where the majority in favor of saloons was 3,952 the fact that a majority of the women voted for the saloons interests came as a distinct surprise to the dry forces. In practically all other cities however, the women were arrayed against the saloons, although in some instances there were more of them aligned with the wet forces than it was believed would happen.

To those at all familiar with the situation in Springfield the result was not a surprise save in the size of majority and the fact that a majority of men and women votes were for the saloons. It has been known for some days that a great many of the business people of Springfield, some of the largest property owners, while actively engaged in church work were still in favor of saloons as a business proposition for they feared the effect on business if so many of them were wiped out. They believed that rents would take a tumble and that there would be a loss of business generally.

The hue and cry too that Springfield might lose the state fair and that the capital might be removed to Peoria also had an effect, some who heard these stories not stopping to think of what such changes would involve.

Among the large cities which voted out saloons, possibly the biggest surprise to the wets was Joliet. In Bloomington the battle was exceedingly close and it is estimated that practically the total vote was polled and the majority which wiped out the 78 saloons was 253. The success of the dries in Freeport is also accounted as notable for there saloons had been undisturbed for fifty years and their position was accounted as practically invulnerable.

In the southern part of the state, in the mining district, notwithstanding the rain kept many women from voting, yet in such places as Herrin, Christopher and Benton the saloons were voted out.

Rock Island has been looked upon as wet territory although the dry forces have put up a strenuous fight there. It was conceded yesterday that the fact that the city officials made promises of better saloon regulation and higher license fees had much to do with preventing the dries from winning out. In Quincy with its large German population where beer drinking is a family matter to a very large extent, the decisive "wet" vote was not unexpected.

Locally there are many people who find satisfaction in the fact that New Berlin voted out saloons by a majority of 77 and thus one source of liquor shipments into this territory is cut off. New Berlin has in times past been a favored resort for a certain class of citizens who wished to go over on the early morning train, make purchases of wet goods and return shortly afterwards.

Referring again to the Springfield situation, the people of the Capital City evidently want saloons and want them badly. The result serves to emphasize how different the voting forces of Springfield are from this city and how differently questions are weighed in Springfield than in Jacksonville. Without considering here whether the saloon question is one of morals rather than business, it is safe to say that over in Springfield the majority of the people thought much about the business end and little about the moral. In Jacksonville many people believe that business is better without saloons, yet the moral question involved has been in years past given the weightier consideration. There are 225 saloons in Springfield. They are open on Sunday and they run until late night hours. In the past many women have been harbored in the saloons' wine rooms, yet the men and women of Springfield have declared in favor of these saloons.

The recent sweeping order issued by Secretary Daniels barring all liquor from the United States war vessels and from all naval stations; the announcement that a great metropolitan paper like the Chicago Record Herald will hereafter decline the responsibility of sending liquor advertisements into the home to be

read by the young; the sweeping victories of anti-saloon forces in scores of Illinois cities all point to the fact that the war on liquor is unrelenting and that public sentiment is crystallizing against the whole system.

MR. U. J. SINCLAIR TO WED MISS RUTH M'INTOSH

Ashland Young Man to Wed Daughter of Bloomington Physician—Wedding Will Take Place in Fall.

Following close on the announcement of the engagement of Miss Ruth McIntosh of Bloomington to Mr. Frank Phillips, comes that of Miss McIntosh's sister, Miss Mary to Mr. U. J. Sinclair of Ashland, who is well known in Jacksonville. The wedding will take place next fall. The Bloomington Pantagraph gives the following story of the announcement:

"Dr. F. H. McIntosh, of 408 East Monroe street, announces the engagement of his daughter, Miss Mary to Mr. Uel J. Sinclair of Ashland, the wedding to take place in the early fall. The announcement which was to have been made in June, was made at this time to comply with plans of Miss Ruth McIntosh, sister of the bride-to-be.

A luncheon was given on Saturday at 1 o'clock at the home of Miss McIntosh presumably in honor of Mrs. Ralph P. Pears, of Milwaukee, Wis., and Mrs. Edward M. Nichols, of Princeton, and the guests were wholly unaware that they were to be greeted by the news of the coming marriage.

Miss McIntosh is the oldest daughter of Dr. McIntosh and is one of Bloomington's most pleasing young women. She has been a resident of this city all of her life and is popular among many friends. She attended Bloomington schools, graduating from the high school in the class of 1909 and is a member of this year's senior class of the Wesleyan University. She is a member of the Kappa Kappa Gamma society.

Mr. Sinclair is the son of the late Mrs. L. E. Sinclair, of Normal. For two years after his graduation from the high school he attended Armour's technology school of Chicago and since leaving school has been connected with his uncle, Mr. Edwin Beegs of Ashland, in the grain business. He is secretary and treasurer of the Central Illinois Grain Company. He has many friends in Bloomington and Normal where he is well known.

SOCIAL EVENTS.

In honor of Miss Carol Robinson of Chicago, who appeared upon the Artist's course Monday evening at the Woman's college, Mr. and Mrs. Frank H. Bode entertained informally for a number of friends at their home on West Lafayette avenue. Mr. and Mrs. Bode and Miss Robinson were at one time residents of Springfield. The reception was held at the close of the entertainment at the college. Miss Robinson is a pupil of Mme. Fannie Bloomfield Zeisler, the well known pianist of Chicago, and though not advanced in years, has shown remarkable ability. She is a true artist and the music loving friends of Mr. and Mrs. Bode esteem highly the honor of her acquaintance.

Mrs. W. D. Sanders of West State street, entertained the Home and Foreign Missionary society of Westminster church Tuesday afternoon. The leader of the meeting was Miss Hattie Phillips. The topic "India" for the foreign society, was discussed by Mrs. C. W. Brown and the topic "Freedom" for the home society was presented by Mrs. John R. Robertson.

Mrs. Ensley Moore, Mrs. Robert Stevenson and Miss Hattie Phillips were chosen as delegates to the Presbyterial meeting to be held in Decatur. Refreshments were served.

There was a large attendance at the State School for the Blind Tuesday, the occasion being their annual concert. The program included vocal, piano, organ, violin and chorus numbers being in charge of Miss Lillian Smith, director of music at the institution. The program showed the excellent work which is being done by the teachers in the various departments of the school and the audience evidenced their appreciation of the splendid efforts of the students by frequent applause.

An event of much interest at the Woman's college was the rhythm exhibition given last night under the auspices of the Department of Expression. There are three rhythm classes including fifty members, all being in charge of Miss Helen J. Allen. The program included a number of acts, showing unusual training in ensemble work and the young ladies participating are to be congratulated upon their success. There was a large audience present to witness this first exhibition of its kind at the college.

Mrs. Thurman Haskell and Miss Marie Piepenbring entertained a company of friends at cards Tuesday evening at the home of Mrs. Haskell, 328 South Church street. The residence was prettily decorated for the occasion in a color scheme of yellow and white and cut flowers were used. Five hundred was played, the prizes being awarded to Miss Corinne Piepenbring and Miss Nellie Anderson. At the close of a most delightful evening a two course luncheon was served. The guest list included Misses Helen and Jane Leck, Frances English, Rena Packard, Idelle Mills, Helen Wintor, Corinne Piepenbring, Nellie Anderson, Jessie Rottger, Zeda Wolter and Clarissa Garland and Mrs. H. L. Cully, Mrs. N. P. Fouche and Mrs. James P. Boyd.

TALK ABOUT PAVING FOR SOUTH MAIN STREET.

A number of property owners on South Main street met recently to discuss the material to be used in the repaving work which is projected for that street. An entirely new pavement of asphalt or brick was considered and a good deal of attention was given to the proposition of covering over the present pavement with Tarvia. The property owners who went to Hamilton recently were well pleased with the Tarvia pavement they saw there. Of course not nearly all the property owners have as yet expressed their opinions but it seems reasonably certain that some sort of paving will be done there this year.

MR. KELLERMAN COMES MONDAY.

Mr. Marcus Kellerman, who gives a song recital at State Street church next Monday evening, April 13th, is a singer of whom every American should be proud. The greater part of his musical education was obtained in this country, yet his success in Germany, that land of music, so critical of "crude Americans," was unequivocal. He sang several years in the Royal opera in Berlin—the musical center of Europe—with great success. The German press unites with that of the United States in praise of his work as a vocalist. Undoubtedly he is one of the best singers we have.

WEST COLLEGE STREET PAVEMENT.

During the recent discussion of paving materials asphalt has been mentioned as requiring a good deal of attention if it is kept from disintegrating. Some property holders maintain that all due credit has not been given to asphalt and point to that street as an example. Certain it is that a splendid job of asphalt work was done on West College street and after three years' wear it is a splendid pavement today.

FIFTY YEARS AGO.

The Inter-Ocean of Tuesday, under "Fifty Years Ago" said: "Gov. Yates returned today to Springfield from New Orleans. At the latter place he visited the hospitals and found many of the Illinois soldiers in them. Some men were in an almost helpless condition and were, at the request of the governor, furloughed and permitted to return home."

DANIELS ORDER MEANS "DRY" NAVY

PROHIBITS LIQUOR ON ANY U. S. VESSEL, YARD OR SHORE STATION.

Wine Mess is Abolished and Sale of Liquor at Officers Clubs is Done Away With—Drastic Order Causes Sensation in Washington—Secretary Makes Statement.

Washington, April 7.—A prohibition navy is now to take its place as the proper right arm of grape juice diplomacy. Secretary of the Navy Daniels has signed an order which absolutely prohibits the use or introduction of alcoholic liquor upon any vessel of the navy, or within the confines of any navy yard or shore station. This order will be issued to the service at once and will become effective on July 1, 1914.

Besides abolishing what is known as the officers' wine mess on board ship and the sale of liquor at the numerous officers' clubs on shore, Mr. Daniels' order is so sweeping as practically to enforce total abstinence upon naval officers for extended periods. It will henceforth be a violation of this order for any officer or guest upon any naval vessel to have in his possession any alcoholic liquor. Officers living on shore will be prohibited from having any liquor in their private homes, if their duties require their residence on naval reservations. Wives of officers so situated will be prohibited from serving punches or any other form of liquor at their social functions. Commanding officers are by the terms of the order made personally responsible for its enforcement, and it is Secretary Daniels' determination that it shall be rigidly observed.

Daniels' Order is Drastic.

Mr. Daniels' order is as follows: "On or introduction for drinking purposes of alcoholic liquors on board any naval vessel or within any yard or station is strictly prohibited and commanding officers will be held directly responsible for the enforcement of this order.

Daniels, it is known, has had this order under favorable consideration for a long time, ever since, in fact, he first discovered that officers on board ship conducted what is known as a dime mess from they were permitted to purchase light wines and beers whenever they desired. Like Secretary of State Bryan, of whom he is perhaps the greatest disciple in the cabinet, Daniels has been found to have most positive views of the subject and officers aware of his inclinations have been fearful lest such an order be issued. It was never dreamed, however, that he would make the prohibition order so sweeping and so drastic. General opinion ascribes to Mr. Bryan's influence some of the responsibility.

While Daniels announces that he has taken this action upon the recommendation of Dr. William C. Braisted, whom he recently appointed surgeon general of the navy, it was the secretary who called upon the surgeon general for a recommendation. Naval officers who were aware of the proceedings and the imminence of the order attempted to dissuade the secretary, but without avail. After it was drafted friends of Mr. Daniels, not in the naval service, and many who are powerful in the Democratic party appealed to him to sign it. The order was signed yesterday, however, just before the secretary departed for Richmond, where he today delivered an address upon the Bible.

Sensation in Washington.

A sensation was created in Washington when the signing of the order became known. It was predicted that a tremendous agitation will result, which will not be without its political consequences. One immediate effect that is anticipated is that pressure will be brought to bear upon the War department to issue a similar order, just as drastic and sweeping. The temperance and prohibition forces in the country will take courage at the action of the secretary and bring siege against the military service in favor of enforced total abstinence.

Naval officers in Washington, the only ones acquainted with the order, are aroused over it. The order they predict will lead to the encouragement of deplorable qualities, such as deceit, espionage and violation of rules and regulations. While it is stated that the navy order just issued will make the situation in that service identical with that in the army, the fact is that the army officers are not subject to such a drastic prohibition. Of course, clubs exist at practically every post, wherein drinks may be had and officers are accustomed, if they choose, to serving liquor in their own homes.

In a statement issued tonight Secretary Daniels said: "I am in hearty agreement with the views expressed by the surgeon general in his paper accompanying the recommendation. There should not be on ship board, with reference to intoxicants, one rule for officers and another and a different rule for the enlisted personnel. The saddest hour in my official life is when an officer or enlisted man must be punished for intoxication. During the past week it has been my painful duty to approve a court-martial for dismissal from the service of an officer for intoxication. He told me that he had never tasted intoxicating drink until he did so in the wine mess on his cruises. Others, who have been disciplined for drinking to excess, have made similar statements to me."

SECRETARY BRYAN TO SPEAK.

Raleigh, N. C., April 7.—Arrangements have been completed for a Democratic mass meeting to be held here tomorrow night in advocacy of state primaries. Secretary of state William J. Bryan will be the principal speaker.

The Tobacco Habit

By WALT MASON.

Oh, Clarence, do not learn to use those foulest weeds that grow; the foolish youth who smokes or chews is storing future woe. For years I've spent my hard-earned wheels to keep my briar fed; I always smoked save when at meals, or in my truckle-bed. And to other day the sawbones came, and took my works apart, and said, while pawing o'er my frame, "You have a cabbage heart. It's fierce," he said; "I never seed such wild, spasmodic thumps; unless you quit the noxious weed you'll surely bump the bumps." And now I've quit: life's on the blink, the world is drear, my friends; and I can only sit and think of fancy Turkish blends. My nervous system is a scream, the tears stream down my cheek, and in my fevered sleep I dream of burley and perique. My agony is too intense to be before you lugged; I feel like twenty-seven cents, and every penny plugged. So, Clarence, do not learn to smoke, and keep no pipes about; believe me, son, it is no joke when you must cut it out.

Harry B. Hutchins.

Dr. Harry B. Hutchins, president of the University of Michigan, was born in the town of Lisbon, New Hampshire, April 8, 1847. After graduating from Wesleyan University at the age of 19 he took post-graduate courses at the University of Vermont and Dartmouth College. In 1867 he entered the University of Michigan and was graduated from that institution four years later. A year or so later he returned to the university as professor of history and rhetoric. While thus employed he studied law and after being admitted to the bar he resigned his professorship and for eight years thereafter he engaged in the practice of law. In 1884 he was recalled to the University of Michigan, this time to become junior professor of law. Later he organized the law school at Cornell University and remained with that institution eight years. In 1895 he again returned to the University of Michigan as dean of the law department, a position he continued to fill until 1909, when he was chosen to succeed Dr. James B. Angell as president of the university.

CONFERENCE OF WESTERN GOVERNORS.

Denver, Colo., April 7.—The conference of western governors, which was organized at Salt Lake City a year ago, assembled in this city today for its second meeting. The attendance includes the governors or their delegated representatives from California, Idaho, Arizona, Colorado, North and South Dakota, Montana, Nevada, New Mexico, Oregon, Utah, Washington and Wyoming.

The chief purpose of the conference is to unite the western states in a definite policy on public questions of common interest. The most important of these questions are those with which the states have to deal with the federal government, such as forestry, irrigation, water power and the conservation of the natural resources in general. The conference will also agree upon a program for the Western irrigation congress which is to meet here Thursday in response to the call recently issued by Secretary Lane of the interior department.

SEVENTH DAY ADVENTIST CONFERENCE.

The Southern Illinois conference of Seventh Day Adventists will be well represented at the biennial session of the Lake Union conference of that denomination which will be held in Battle Creek, Mich., April 14-26. Elder A. J. WORLD'S LATEST FINANCIAL AND MARKET NEWS

SPECULATION SLOW; MARKET VALUES SHOW LITTLE CHANGE

Even Brilliant Prospects For Winter Crop Fail to Arouse Market.

New York, April 7.—Speculation was again slow today and market values were little changed. Even the brilliant promise held out for the winter wheat crop in the government report failed to arouse the market from its lethargy. Appearance of the report was the signal for a demonstration on the part of the bullish traders and for a few minutes speculation was lively. But the professional operators failed to attract a following in spite of the fact that the crop report exceeded even the bullish forecasts which had been made with an estimated condition on April 1st of 95.6 per cent as compared with a ten year average of 85.7. The efforts of professional traders had little influence on quotations and after a few minutes the market settled back into its dull routine.

Aside from the crop report there was nothing in the day's news of important bearing on the market as a whole.

MARKET LETTERS.

Chicago, April 6, 1914.—Oliver S. Green, with Walter Bros., U.S. Yards, Chicago, reports the estimated receipts for Monday, April 6:

Cattle—16,000.

Hogs—36,000.

Sheep—30,000.

Early the short supply of cattle for a Monday's market following the light number received last week it looked favorable for some advance in prices for all desirable beef grades but the expected activity failed to materialize and while choice to prime kinds held steady with last week's active close, other kinds were slow to 10c lower. Three car loads of prime 1,500 pound average Herefords at \$9.50, with some 10 cars handy weight, \$9.10 to \$9.30. Choice yearlings failed to materialize. The crop above \$8.90 only moderate. The bulk of the good killers, handy to good weights, \$8.40 to \$8.90, and largely \$8.00 to \$8.35 for good light to middle weights. The decent kinds, short feds, \$7.65 to \$8.00. The market was weak at the close. Stockers and feeders in short supply and prices firm to higher.

Interior stockers to good feeders, \$6.00 to \$7.50.

Selected light to good weights, \$7.60 to \$7.75; with prime selected \$7.80 to \$8.00.

A few heifers, \$6.35 to \$6.75.

Selected heifers quotable around \$7.00.

Common to good feeding cows, \$5.25 to \$6.00.

Early the she stock trade was strong to higher; later dull. Bull demand light; calves lower; fat cows, \$5.00 to \$7.65.

Heifers, \$6.00 to \$8.50.

Bulls, \$5.00 to \$7.25.

Fancy yearlings, \$7.50 to \$8.00.

Common heavy calves to good weaners, \$5.50 to \$10.00.

Choice to fancy, \$10.25 to \$10.50.

The hog market generally 5c lower. Select packing and shipping, \$8.75 to \$8.90.

Light weights, \$8.70 to \$8.85.

Mixed packing, \$8.65 to \$8.77 1/2.

Medium and butchers, \$8.77 1/2 to \$8.82 1/2.

Rough heavy packing, \$8.10 to \$8.45.

Pigs and throwouts, \$3.00 to \$3.35.

Sheep and lamb market dull; bulk offerings 25c lower; some left unsold.

Shorn western yearlings, \$6.00.

Colorado yearlings, \$7.50.

Western wethers, \$6.70.

Western ewes, \$6.50.

Western lambs, \$7.00 to \$8.25.

Shorn western lambs, \$5.00 to \$6.50.

Chicago CATTLE MARKET LETTER.

Chicago, April 6.—Following a rather stronger market upon Thursday and Friday last, a rather larger run was reasonably expected but supplies today were quite moderate, 16,000. The River points had also only fair runs, Kansas City having 8,000. In spite of this, however, the market was far from satisfactory. Good to choice cattle were practically steady with the close of last week but the commoner kinds looked 10 to 15c lower. The proportion of butcher stock was small and that class of cattle steady to a little higher. The extreme top paid for some prime steers was \$9.50.

A market such as we had today certainly does not carry with it much encouragement as concerns the near future. Holding back, therefore, in the expectation of a recovery of the recent slump is in our opinion attended with extreme risk. In fact it would look as though only a continuance of light supplies will save the market from further decline. The demand for beef is considerably below normal, the very great number of unemployed men being in large measure responsible for this condition.

Receipts of hogs today were 37,000. The market ruled 5 to 10c lower, with an extreme top of \$8.90.

Hogs are 5 to 10c lower.

About 37,000, and with liberal receipts in the east, and lack of outside demand, the market opened 5 to 10c lower and closed strong. The top was \$8.90, paid for light weight shipping and the bulk of the good hogs sold from \$8.75 to \$8.85; mixed packing from \$8.65 to \$8.75; bulk of rough and throwout packers from \$8.25 to \$8.50; pigs from \$7.50 to \$8.50, according to weight and quality. There was a good clearance made at these figures. While we look for light receipts, we do not look for any great change in values tomorrow.

1914 Boys' Corn Club

Prize Contest

The United States Department of Agriculture through the Corn Clubs of the Boys' Demonstration Work conducted for several years in various parts of the country is teaching agriculture by actual work on the farm, proving that there is more in the soil than the farmer gets from it, inspiring boys with a love of the land, teaching farm boys business methods and teaching better agriculture through the farm boys.

The Chamber of Commerce Prizes

In order to stimulate an interest in better agriculture among the farmer boys of Morgan County, the Chamber of Commerce of Jacksonville, through its Department of Rural Affairs, offers the following prizes for the best acre of corn:

First Prize \$100.00 in gold.
Second Prize 50.00 in gold.
Third Prize 25.00 in gold.

The County Commissioners' Prize

Boys' Corn Clubs are being conducted in several counties and districts in Illinois. As an additional incentive to the boys of Morgan County, the County Commissioners of Morgan County offer a prize of One Hundred Dollars to the member of the Morgan County Boys' Corn Club, if any, whose acres score high enough to win first place among the Boys' Corn Clubs of Illinois, i. e., to the Champion Boy Corn Grower of Illinois, provided he is a member of the Morgan County Boys' Corn Club, and the Commissioners hope that a Morgan County boy may win the championship of the State of Illinois for the year 1914.

Pin Prizes

Each contestant who fully complies with the conditions of the contest and makes all reports required will be awarded the official emblem or pin of a Demonstrator of the Boys' Corn Club.

Rules of Competition

Competition open to any boy residing in Morgan County who was between the ages of 12 and 18 years on the first day of January 1914.

Corn must be grown on land in Morgan County.

No boy except a member of the Boys' Corn Club shall compete for any prize.

No prize will be awarded any boy who does not comply with all the conditions of the contest and make all required reports.

Membership in the Boys' Corn Club can be had by signing the application card furnished by the United States Department of Agriculture and agreeing to study the instructions furnished, to keep accurate record of work, expense and receipts of the acre and make a complete report of the same.

Membership application cards may be obtained of any bank in Morgan County or of any member of the Executive Committee of the Department of Rural Affairs of the Chamber of Commerce of Jacksonville.

The names of applicants for membership in the Boys' Corn Club will be enrolled in the U. S. Department of Agriculture which will furnish periodically bulletins and literature on corn growing and forms for financial report and history.

Each contestant must plan his own crop and do his own work.

The acre must be carefully measured and the corn must be gathered and measured in the presence of two disinterested parties who much certify the measurements.

This contest is for a single acre of corn not for an acre selected out of a large field grown by the contestant and all accounts must be those of an acre and not part of the account for a larger field. The acre must be selected before planting and an account for that particular acre carefully kept.

An acre which was plowed in the autumn of 1913 may be selected whether plowed by contestant or some other person, provided the estimated expense of the fall plowing be included in the cost of production.

Each contestant must exhibit ten ears of his corn at a time and place to be announced later and must gather his corn and complete his reports and file them with the chairman of the Department of Rural Affairs on or before December 1st, 1914.

Prizes for the best acres will be awarded on the following basis:

Greatest yield 30 points.
Best showing of profit based on commercial price of corn for feed 30 points.
Best exhibit of ten ears 20 points.
Best written history entitled "How I Made My Crop of Corn" 20 points.

An accurate and complete account of the cost of the acre must be kept and reported. This must show the cost of planting, cultivating and gathering the corn under separate items. For the purpose of uniformity in accounting the cost must be estimated as follows: The rent of the acre, \$5.00; boy's labor at 10 cents an hour; the time of each horse at 5 cents an hour; barnyard manure at \$2.00 for a two-horse load and at \$1.00 for a one-horse load; all other fertilizers at actual cost; seed corn at cost. The value of the yield must be figured at the cost value of the corn for feeding purposes.

1913 Prize Winners

First Prize, \$100.00 in gold, Fred Marion Spires, Nortonville, yield, 72 bushels.
Second Prize, \$50.00 in gold, Clayton Anderson, Franklin, yield 66 bushels, 27 lbs.
Third Prize, \$25.00, Fred Sidney Burchett, Franklin, yield, 58 bushels, 42 pounds.

MURRAYVILLE.

Mrs. Clyde Moffet of Springfield has spent the past week with home folks.

The members of the Willing Workers and Plus Ultra classes of the M. E. Sunday school gave Misses Milledred and Mabel Jones a miscellaneous rush Thursday evening at the home of Mr. and Mrs. Norman Carlson. Refreshments were served and in every way the evening was delightfully spent.

Mrs. Jennie Tendick had her millinery opening last Wednesday and a nice line of hats were displayed for the spring season.

Misses Florence Short and Olive Whitlock visited relatives in White Hall Saturday and Sunday.

Mrs. S. B. Robinson and Mrs. C. T. Daniel spent Thursday in Springfield.

Mrs. Margaret Wyatt of Manchester spent several days last week with her many friends here.

Mrs. J. H. Fuller had her spring millinery opening Saturday, which was well attended. Flowers were given for souvenirs and a stylish line of hats was shown.

Mrs. Charles Ezard and children of Woodson spent the latter part of last week at the home of Mr. and Mrs. T. N. Bush.

William Lemon left Monday for Rimmer, Alberta, Canada, for an indefinite stay.

J. W. Adams and wife moved Wednesday to William Lemon's house in the east part of town.

Mrs. C. F. Strang and Mrs. Augusta Israel received word Saturday of the death of their brother, E. A. Grimes, of St. Louis. Funeral services were held Monday afternoon in White Hall. Those attending from here were Mr. and Mrs. C. F. Strang, Mrs. Augusta Israel, Mrs. J. H. Spencer and Mrs. W. B. Wright.

Charles Smith of Manchester was a visitor in our village Thursday.

T. G. Beadles and family spent Sunday with relatives in Roodhouse.

WHO IS YOUR TAILOR?

Every man in America has a tailor. The man who wears a \$10 suit, as well as the man who pays \$100. The important question is, "Does your tailor know you?" Is he capable of designing a suit for you individually? Can he put your own personality into your garments? Build it so it will express you; look like you; actually be you; or does he make the same suit for everybody?

Do you care how you appear to other people? Does it matter to you if your coat bunches on the shoulders, creeps up on your neck when you sit, wrinkles in the back or sets away from the collar? Do your trousers draw? Are they too wide or too narrow in the thighs and leg to suit your build? All these faults are not necessary, and are overcome when your garment is designed and tailored by one who knows you and studies your individual requirements. It costs no more to own a tailored-to-measure suit which will have none of these objectionable things. You can get harmony in color and fabric, style, snap, fashion and design, and comfort in the fit and wear of every suit we make for you.

You can't get a bad job from us. We won't let you have it.

ERUPTION LIKE RINGWORM ON FACE

Covered with Watery Blisters, Itched and Burned Terribly. Little Boy at Night. Cuticura Soap and Ointment Entirely Cured.

Look Box 35, Maurice, La. — "In the spring of 1911 our little daughter, age 6 1/2 years, had a breaking out on her lip and part of her cheek that we took for ringworm. It resembled a large ringworm, only it differed in that it was covered with watery blisters that itched and burned terribly, made worse by her scratching it. Then the blisters would break through and let out a watery substance. She was very cross and fretful while she had it and had very little rest at night. When the eruption was at its worst the teacher of the school sent her home and would not allow her to attend until the disfigurement of her face was gone.

"We tried to kill it by applying but without result. It would seem to get better and then break out again. I then wrote and received a sample of Cuticura Soap and Ointment. We washed the sore with the Cuticura Soap and applied the Cuticura Ointment and they gave instant relief, so we bought some more. It gradually grew better. We kept on using Cuticura Soap and Ointment and in three or four months the child was entirely cured."

(Signed) Mr. Henry Prais, Oct. 22, 1912.

Cuticura Soap 25c. and Cuticura Ointment 50c. are sold everywhere. Liberal sample of each mailed free, with 32-p. skin Book. Address post-card "Cuticura, Dept. T, Boston."

Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.

OFFICIAL FEDERAL LEAGUE SCHEDULE 1914

CHICAGO, April 7.—The Federal League will conflict with organized ball in 375 games this year, according to the schedule which was announced here today by President Gilmore. The schedule was adopted practically as drawn up by Secretary Lloyd Rickard, who spent weeks trying to overcome the many difficulties that had to be surmounted before arranging a chart acceptable to all clubs.

The impossibility of avoiding conflicts entirely was recognized at the start, but Rickard eliminated any that at first it seemed probable would have to stay in the schedule. The fact that Baltimore and Buffalo, for instance, are in one section in the Federal League and in different sections in the International made it impossible to arrange the chart that both clubs would be away when their competitors were home. Similar conditions governed Kansas City and Indianapolis, and Brooklyn and Pittsburgh.

The greatest number of conflicts take place in St. Louis, where the Federal Leaguers will compete with the American and National league teams in seventy games. Chicago is next with about 58 conflicts, Kansas City has 34, Indianapolis about 20, Pittsburgh 27, Baltimore 30, Brooklyn 21, and Buffalo, 20.

The objection of President Ward of the Brooklyn club to Sunday baseball resulted in the Brooklyn team being carded to play double headers on five Saturdays which preceded the Sundays into which its series in western towns would naturally run.

The opening of the season will spread over several days. Only one game will be played on April 13, when Buffalo opens the season at Baltimore. On April 14 Pittsburgh starts the campaign at home with Brooklyn. On April 16 Indianapolis opens the season at St. Louis and Chicago at Kansas City. Home games in Chicago and Indianapolis will be played first by Kansas City and St. Louis April 23.

Before they play at home, the Brooklyn and Buffalo teams will be on the road nearly a month. After the two opening series, they, as well as the Pittsburgh and Baltimore teams tour four cities of the western section, and will not appear before the fans of their home towns until May 11.

Memorial Day, double headers will be played by Kansas City at St. Louis; Indianapolis at Chicago; Pittsburgh at Baltimore, and Brooklyn at Buffalo. On July 4 St. Louis plays two games at Kansas City; Chicago at Indianapolis; Buffalo at Brooklyn, and Baltimore at Pittsburgh. On Labor days St. Louis is at Kansas City; Chicago at Indianapolis, Baltimore at Brooklyn, and Baltimore at Buffalo. The season of 154 games for each club closes Oct. 14.

(Bold face figures denote Sundays; in brackets, holidays.)

HAS GRADUATE SCHOLARSHIP AT THE STATE UNIVERSITY.

Robbins Russell to Represent Illinois College Next Year at U. of I.

By a recent action of the faculties of Illinois college and Illinois university the graduate scholarship which is available each year for a member of the finishing class at Illinois college was awarded to Robbins Russell, a son of Andrew Russell, this city. Mr. Russell is taking his major work in the department of chemistry. Much gratification is felt at this appointment by Prof. Sherman Leavitt, head of the department, as this is the second time the graduate scholarship has been awarded to a chemistry student within three years, the honor having come in 1912 to Garin Norbury. To receive this appointment a student must be recommended by the Illinois college faculty and must receive the favorable consideration of the authorities at Urbana.

Another I. C. student who has distinguished himself at the state university was J. Howard Brown who received his B. S. from Illinois college in 1906 and an M. S. in 1909 from the university. Mr. Brown is now engaged in teaching and research work at Harvard university and has at all times made a record highly creditable to himself and Illinois college.

WHARTON'S CLASS WON.

FRED MARION SPIRES.

When the Boys' Corn club contest was announced last year many of the farmer boys were slow to enter, fearing they could not do the work. The conditions require in addition to a good yield of corn, some book-keeping, the ability to write a history of the crop and some judgment as to the selection of good corn samples. Other boys all over America were doing the work and winning prizes and there was no reason why the boys of Morgan county could not do as well or better than boys elsewhere.

Fred Marion Spires of Nortonville was one of the Morgan county boys who thought he could make a suc-

cessful fight for the big hundred dollar prize. He lost no time in getting into the game, he worked hard all the time, he kept his nerve even if the season was such as to discourage long experienced corn growers and he won the first prize. He prepared his seed bed thoroughly and well, planted early and cultivated often and was rewarded with a yield of seventy-two bushels of good corn.

Fred proved that Morgan county boys could win prizes in Boys' Corn Club corn contests. He is in the contest again this year and the other contestants will have to look out or he will win the first prize a second time.

DR. ELAM TO FACE MURDER CHARGE

Kansas City, Mo., April 7.—The case of Dr. W. T. Elam, under indictment for first degree murder, will be called in court tomorrow and it is expected the trial will proceed within a few days. The crime of which Dr. Elam is accused was one of the most sensational enacted in this city in several years. On November 18 last he is alleged to have shot and killed William Putnam Cramer, whom the physician accused of intimacy with his wife. The killing occurred in a room in a local hotel where the two men had met to talk the matter over. Dr. Elam had previously prepared a list of questions which he intended to propound to Cramer. The latter was accompanied to the hotel by his attorney and Dr. Elam was attended by a private detective whom he hired to shadow Cramer and Mrs. Elam. At the time of the conference, however, the two principals were alone in the room and there were no witnesses to the tragedy. Following a single shot from a revolver Dr. Elam came out of the room and is alleged to have declared that he had killed the destroyer of his home. Later, however, he stated that the shooting was an accident and that he did not know how it had occurred. The victim of the shooting died almost instantly. Dr. Elam is a resident of St. Louis and for many years has occupied a high place in the medical profession. Cramer, the victim of the tragedy, was an advertising solicitor for a well known magazine and lived with his wife in Chicago. After the killing Mrs. Elam went to Detroit to reside with her mother.

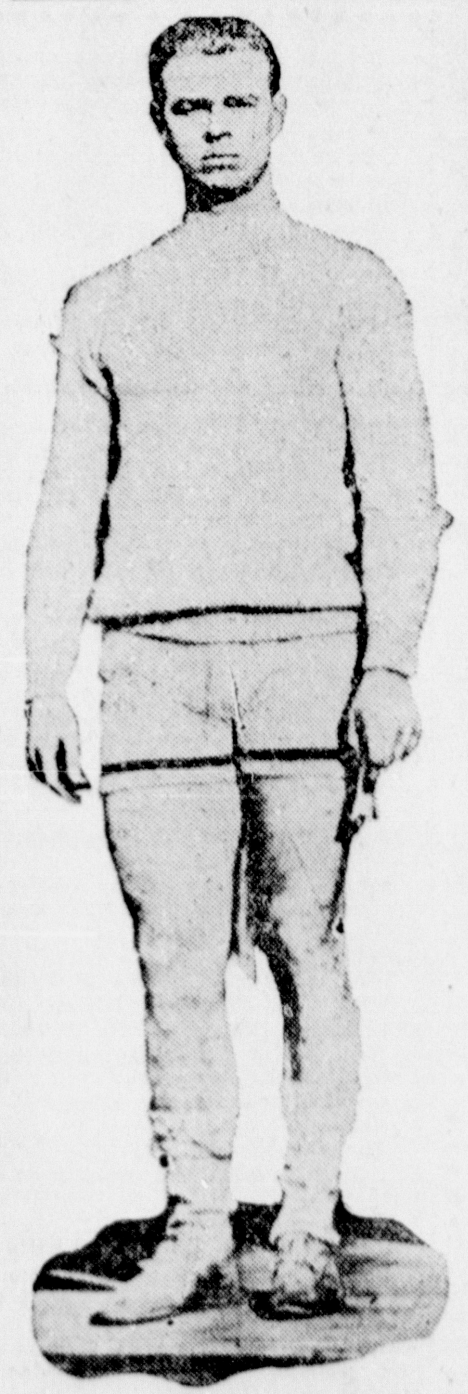

IMPORTANT DECISIONS AWAITED

Springfield, Ill., April 7.—Several cases of more than ordinary importance are docketed for hearing and decision at the term of the Illinois supreme court which began today. Decisions are expected in the case involving the validity of the woman's suffrage act and in the Sellers case, involving the state civil service act. One of the important cases scheduled for argument is the appeal of Harry Spencer, who is under sentence of death at Wheaton for the murder of Mrs. Mildred Allison-Rexroat, a tango teacher.

YALE ROWING CHIEF, WHO PREDICTS VICTORY OVER HARVARD EIGHT.

Thomas Denegre, captain of the Yale varsity eight, is confident that he has a winning combination to meet Harvard this year. The Ell crew took to the water several days ago for spring training.

HERE IS GOOD NEWS FOR STOMACH VICTIMS

Some very remarkable results are being obtained by treating stomach, liver and intestinal troubles with pure vegetable oils, which exert a cleansing, soothing and purifying action upon the lower bowels, removing the obstructions of poisonous fecal matter and gases and preventing their absorption by the blood. This done, the food is allowed free passage from the stomach, fermentation ceases and stomach troubles quickly disappear.

George H. Mayr, for twenty years a leading Chicago druggist, cured himself and many of his friends of stomach, liver and intestinal troubles of years' standing by this treatment, and so successful was the remedy he devised that it has since been placed in the hands of druggists all over the country, who have sold thousands of bottles.

Though absolutely harmless, the effect of the medicine is sufficient to convince any one of its remarkable effectiveness, and within 24 hours the sufferer feels like a new person. Mayr's Wonderful Stomach Remedy is now sold here by Armstrong's Drug Store.—Adv.

Wood's Grain Softener

This device will enable you to fatten two hogs and two steers on the same amount of corn one is commonly fed, and produce a better gain.

We grind up the cob with the corn, feed the hogs on syrup drawn off the corn while hot. We mix it with ground oats or shorts. This softened corn is good feed mixed with silage.

CHAS. WOOD, Jacksonville, R. R.

FARMERS NOTICE

We Are Now Manufacturing Fertilizers For Soil

We have made a careful study of soil conditions and are now putting up an article which is considered the best on the market for INCREASED YIELD OF Corn or Oats. The same has the following analysis:

Bone phosphate 63.09 per cent.
Phosphoric acid 28.96 per cent.
Nitrogen 2.53 per cent.
Ammonia 3.97 per cent.

If you will carefully compare the analysis of our ROYAL BRAND BONE MEAL, you will find that the same is cheaper than the use of Rock Phosphate or any other fertilizers which are now on the market.

It only requires from 100 to 150 pounds of our BONE MEAL to an acre of soil, depending upon the condition of the soil. This will increase your yield of corn or oats from 19 to 29 bushels to the acre for the first year.

GERMANS IN CONVENTION.
New York, April 7.—The assimila-
tion of the best traits of its retro-
gressive human elements is making
the United States the foremost mod-
ern nation, said Prof. Hugo Muster-
berg of Harvard University today
in an address to the American So-
ciety of Graduates of German Uni-
versities, now in convention here. He
expressed the belief that great pro-
gress in science, art and social cul-
ture would attend the material
strides already made.

Other speakers today were Dr.
Paul Carus of Chicago and Prof.
Julius Giesel of the University of
Illinois.

Are Your Glasses Becoming?

You don't want awkward "all eyeglasses" looking glasses.

We have made a study of facial characteristics, and select the size, style and shape of eyeglasses most becoming to the face of the wearer. There is a "knack and know how" about proper eyeglass fitting and adjusting, that we have long ago discovered.

With the glasses we make, you look well from either side.

USE "TIZ" FOR SORE TIRED, ACHING FEET

No More Puffed-Up, Burning, Sweaty, Calloused Feet or Corns.

"TIZ" makes my feet cooler."

Good-bye, sore feet, burning feet, swollen feet, sweaty feet, smelling feet, tired feet.

Good-bye corns, callouses, bunions and raw spots. No more shoe tightness, no more limping with pain or drawing up your face in agony. "TIZ" is magical. Acts right off. "TIZ" draws out all the poisonous exudations which puff up the feet. Use "TIZ" and wear smaller shoes. The only remedy that does. Ah! How comfortable your feet feel. "TIZ" is a delight. "TIZ" is harmless.

COUNTRY

CORRESPONDENCE

LITERBERRY.

Eneas William Richardson of Peoria boulevard is a young man of considerable importance; he is the two weeks' old son of Mr. and Mrs. George Richardson, and has already received a new suit of clothes from the well known clothiers, Myers Bros. of Jacksonville, with their compliments and best wishes, asking him to become one of their regular customers. This proves that little Eneas William is of much importance, or, that the Myers firm believes in the old saying, "The early bird gets the worm."

Mr. and Mrs. J. A. Litter were called to Jacksonville Thursday on account of the serious illness of Mrs. Litter's mother, Mrs. Black. Mr. Litter returned Saturday evening, but Mrs. Litter remained and was at the bedside when her mother died, and will remain until after the funeral.

The Ladies' Aid of the Baptist church met in regular monthly meeting last Thursday afternoon at Crum Villa; Mrs. S. H. Crum and Mrs. D. K. McCarty, hostesses. A good program was rendered to about 30 persons. Refreshments were served in four courses. Quite a joke was played at this meeting, and some are wondering who the joke was on. Being so near the first of April, all hands were expecting something out of the usual order, and sure enough, here it was. Some one baked a large corn meal cake and covered it all over with pretty white frosting, and cut it in good sized pieces, and served it with the ice cream, at the first course; after which came the fruit and cream puffs, then the fine cake and last the delicious home made candy, made by our special candy maker, Mrs. John Daniels. Of course there was lots of comment made on the cake and one lady said, "This is the poorest cake I ever knew Mrs. Crum to make," while another lady said, "Will you please bring me another piece of the first cake? It's the best of all. The guessing contest was conducted by Mrs. Earl Underbrink. Five ladies guessed thirteen of the questions and after the straws were drawn Mrs. Earl Rexroat carried off the prize. They also had some fun over the April fool grab bag, for everybody got a package that grabbed, and some of the packages were valuable, judging from the labels on the outside. A good offering was taken at the close.

At the final examination Friday, at this place, the following scholars passed: Litterberry, teacher, Burley Jones; Stella Scribner, Dewey Petefish; Brush College, Miss Martin; teacher; Jesse Austin, Irene Austin, Pearl Doris, Oak Ridge, Miss Lahey, teacher; Ellen Lahey, Oakland, Miss Bruner, teacher; Harry Samples, Ricard Dodswoth, Roy Dodswoth, Independence, Miss Baxter, teacher; Neil Sorrells, Gertrude Sorrells, Jersey College, Floyd Goodpasture, teacher; Bertha Mason, Alma Ogle, Lois Allen.

The Baptist people will give an Easter social next Saturday night in the basement of the Baptist church. Refreshments will be served at 15c a person. Proceeds for the Sunday school.

Rev. Mr. Smith filled his pulpit at the Christian church Sunday morning and preached a fine sermon on the Resurrection of the Savior. He gave an Easter sermon Sunday, because he could not be present on Easter Sunday.

Mr. and Mrs. M. O. Petefish visited relatives in the Bend Sunday.

Aaron Petefish of Spring Grove Farm put his herd Short Horn bull to Ruell Crum the other day, and Mr. Crum snapped him up so quick that Mr. Petefish was sorry he talked so fast, but he is game and stood to the trade.

MORTUARY

Blond.

Alfred Blond, a long time resident of Bluffs died there Tuesday. The deceased was 78 years of age and while he was so far advanced in age he kept in fairly good health and was able to cast his vote in an election there last Saturday. Mr. Blond was a member of the I. O. O. F., and of the Baptist church and was a man who was held in high esteem by a large company of friends. He is survived by his wife, one son and five daughters, Charles Blond, Bluffs; Mrs. Jennie Bronaugh, Bluffs; Mrs. Lucy Munday, Bluffs; Mrs. George Blair, Chapin; Mrs. Rose Lovell, Peoria; Mrs. W. H. Garrison, Jacksonville.

Mr. and Mrs. W. H. Garrison went to Bluffs yesterday on account of Mrs. Blond's death and returned to this city last night. They will go to Bluffs Friday for the funeral which is to be held at 2 o'clock that afternoon.

Imboden.

Relatives in the city have received word of the death of Peter Imboden of Jacksonville, who died at the home of his sister, Mrs. Katherine Forness, where he was visiting, at 7:40 a. m., Tuesday morning at St. Joseph, Mo. The remains are expected to arrive here this morning at 8:30 o'clock and funeral arrangements will be announced later.

Mr. Imboden was born in Brindelwald, Switzerland, Jan. 26, 1841, having attained the age of 71 at the time of death. When eleven years old he came to this country and had spent the greater part of his life in Jacksonville.

Besides his widow he is survived by the following children, Louis, John, Walter, Elmer and Mrs. Miles Sweeney of Jacksonville, Mrs. J. Ponterrie of Louisville, Ky., Fred and Thomas and Mrs. Fred Coray of Colorado Springs, Colo., also nine grandchildren, one brother, Rudolph and a sister, Mrs. Katherine Forness of St. Joseph, Mo.

SERVICES AT CENTENARY.

Rev. F. A. McCarty had charge of the services last night at Centenary M. E. church, a large number being in attendance. He took for his subject, "Christ's Day of Controversy," referring to the Tuesday when the Scribes and Pharisees gave him puzzling questions to answer. Christ showed his mastery of the situation by being calm and forceful all the time. Rev. G. W. Flagg will preach tonight and his subject will be "A Day Without Jesus."

ELECTIONS IN ROAD DISTRICTS

SPIRITED CONTESTS HELD IN SEVERAL PLACES.

Agitation for Better Roads and Tice Road Law Increase Interest in Election—Women Figure in Several Results and Candidates Tie at Murrayville.

The results in the various road districts show a large number of new faces among the commissioners for the coming term. Considerable interest was manifested in the election on account of the agitation for better roads and the Tice Good Roads Law. In some of the districts the ladies took a hand in the voting. In District No. 3, E. T. Samples received 11 women votes and 125 men, while Frank Wiggins received 12 women votes and 160 men. In District No. 8, John Snyder got 44 women votes and 112 men and M. Wiggins received 92 men votes and 27 women. In District No. 1 J. B. Corington received 13 women votes, W. H. Pearson 4 and W. T. Richardson 4.

C. W. Cully in District No. 7 ran three to one ahead of his opponent, Richard Day. There was a close vote in District No. 11. C. B. Clarkson and George Clayton each getting 58 votes and D. J. Crouse less than 50. The first two mentioned will have to draw lots Tuesday to see who gets the position. M. J. Doolin of District No. 10 and William Harkleroad of District No. 12 had no opposition. Considerable interest was manifested in the Waverly district. No. 13, Narr winning out over Gorman by 164 votes. Louis Hinners (Meredosia) was the only clerk elected in the county.

The vote follows:

"WETS" GAIN A POINT IN MANDAMUS PROCEEDINGS

Judge Williams in Cass County Court Holds That He Has No Jurisdiction in Beardstown Controversy.

Judge Williams gave an opinion that he has no jurisdiction in the mandamus proceedings which were brought in the Cass county court at Virginia Tuesday, by the local option forces of Beardstown. They sought to set aside the findings of the city attorney of Beardstown who declared the local option petition was imperfect because the addresses and dates of a number of the signers were lacking and there were other defects in the document.

The local option people were represented by L. W. Felker of Beardstown and Jesse People of Carlinville, and the "wets" by C. A. Gridley of Virginia, Thomas Fern of Springfield and W. H. Deitrick of Beardstown. The arguments lasted for three hours. Judge Williams decided he had no jurisdiction in the case and that no true bill had been filed.

The local option forces must now proceed with another mandamus suit setting up the charges. Five days' notice must be given before it comes into court. It is the opinion of those posted in the matter that here is doubt whether Beardstown will vote on the question April 21.

NURSES HOLD ANNUAL MEETING IN SPRINGFIELD

Miss Ida Venner, Superintendent of Passavant Hospital Elected President of Organization—Dr. F. P. Norbury Addresses Members.

The annual meeting of the 13th District of the Illinois State Association of Graduate Nurses was held in the Lincoln Library Tuesday afternoon at Springfield, with a large number present from the seven counties comprising the district. Part of the business session consisted of the election of officers, several officials going to Jacksonville members, Miss Ida Venner, superintendent of Passavant hospital, being elected president.

Dr. Frank P. Norbury gave an excellent address on the subject "Nursing of Mental and Nervous Diseases." Luncheon was served at the noon hour. In every way the gathering was profitable.

The election of officers follows:

President—Miss Ida Venner, Jacksonville.
First vice president—Miss Rosa Waitke, Springfield.
Second vice president—Miss Velma Davies, Jacksonville.
Third vice president—Miss Olive May Welch, Jacksonville.
Recording secretary—Miss Alice E. Daley, Springfield.
Corresponding secretary—Miss Lucy A. Mount, Jacksonville.
Treasurer—Miss Mabel Reid, Jacksonville.

Those in attendance from this city were Misses Ida B. Venner, Olive Welch, Margaret Ryman, Sadie Guild, Mary Groves, Olive Summers, May Richards, Sophia Kirchhoff and Lucy A. Mount.

Just arrived, another lot of Ferry's celebrated lawn grass seed, 20c a pound at Weber's.

SUPREME COURT BEGINS SPRING TERM SESSIONS

Woman Suffrage and Civil Service Acts Likely to Be Decided at This Term.

The supreme court convened Tuesday afternoon for the April term, which will be the most important held by the court for many years.

Although there are a number of big cases pending for final disposition at the end of the term, the decision on the constitutionality of woman's suffrage act and the civil service act overshadow all others in importance. If the court follows its usual course, decisions will be handed down in both cases at this term.

The suffrage act is attacked principally on the ground that it is not a separate act, but an amendment to the election laws and that its passage as a separate act was in violation of the constitution. A decision handed down recently in a case involving the high school act of 1911 has led suffragists to hope that the court will decide the act is valid.

The civil service law is attacked on the same grounds urged against it in the Gullett case, in which the court held it constitutional. The further point is urged that a minor amendment was not properly printed before passage. There has been a change in the personnel of the court since the former decision was handed down, and for this reason there is some doubt as to the outcome.

THREE BOOKS OF INTEREST REVIEWED AT LIBRARY

"The New City Government", "American Traits from a German Point of View" and "South America," Discussed Tuesday Evening.

The evening with books Tuesday at the Jacksonville public library included reviews of "The New City Government," Bruere, by Paul B. Fritchey, of the Chamber of Commerce; "American Traits from a German Point of View," Munsterberg, by Miss Elizabeth Udriz of Illinois college and "South America, Observations and Impressions," Bryce, by Hume Whitacre of the Journal staff. There will be one more of the library book evenings and one more lecture this year. Tuesday evening, April 14, Miss Marion Fairbank will review Zangwill's "Dreamers of the Ghetto," Dr. F. S. Hayden, of Illinois college, will discuss Weymouth's "Modern Speech New Testament" and Mrs. Truman P. Carter will speak on "Austin's 'Pride and Prejudice.'" April 21, Dr. R. H. Tanner of Illinois college will lecture upon the "Electra" of Sophocles. The series of Tuesday evening entertainments at the library began Jan. 27 and have for the most part been well attended. They represent a great amount of work and care on the part of Miss Lorena Webber, the former librarian, and have won the appreciation of many Jacksonville booklovers. Miss Lydia M. Barrette, the new librarian, has taken the course in hand and has shown much interest in the successful continuation of the evening lecture series. Prof. J. G. Ames acted as chairman Tuesday evening.

The books discussed, "The New City Government" by Robert W. Bruere is based upon a consideration of the workings of the commission form in ten American cities: Wichita and Topeka, Kansas, Kansas City, Galveston, Houston, Dallas and Ft. Worth, Texas, Huntington, W. Va., and Des Moines and Cedar Rapids, Ia. Among the advantages enumerated by Mr. Bruere are the doing away of party lines, the centralizing of authority and the institution of the direct primary initiative, referendum and recall. The departments of public works was found to be usually the most efficient department and that of accounts and finance, in the cities named, was found to be the least efficient.

Prof. Hugo Munsterberg is especially qualified to discuss "American Traits from a German Point of View" said Miss Udriz at the beginning of her talk. Since 1895 a professor of psychology in Harvard University, he has several times been exchange professor to universities in the fatherland. He was born and reared in Germany and understands well the characters of the two nationalities, which, he states, are tending to become more alike. The United States is becoming more aristocratic and the German Empire is growing democratic. German-American misconceptions, education, the woman question and the relative status of scholarship are among the subjects treated by Prof. Munsterberg.

The book under discussion on South America is doubly interesting because of the fact that it was written by James Bryce, the author of "The American Commonwealth," and all Englishman, the one in this country best beloved and most highly respected. In a tour of four months Mr. Bryce visited Peru and the old Inca land, the plateaus of Bolivia and Lake Titicaca, Chile, Argentina with its rapid growth and business spirit, Uruguay and Brazil and embodied the whole of his observations in a volume of ripe scholarship, lucid style and accurate delineation of South American characteristics.

IS DOING A BIG WORK.

William A. Alcott who is teaching the high school at Joliet, speaks most highly of the work that Supt. R. O. Stoops is accomplishing there. He says that the superintendent is popular both in school and with the citizens. He has under him 300 teachers and 5500 students and that through his influence three new school buildings will be erected, one each year for three years. He is also negotiating for the purchase of a farm where the boys can do farm work and get a knowledge of agricultural pursuits.

VEHICLE TAX NOW DUE.

Notice is hereby given that vehicle license is now due and payable at this office. The ordinance requiring the payment of a vehicle tax will be strictly enforced.
